

REMARKS

Applicants amend the claims as filed in the international application to reduce the number of claims and to ensure unity of invention. Applicants note that there is no intention to abandon any subject matter with regard to the deleted matter. A replacement Sequence Listing, updating background information is also enclosed. Applicants also amend the specification to cross-reference related applications. No new matter has been added by the present amendment.

If there are any charges or any credits, please apply them to Deposit Account No. 03-2095.

Respectfully submitted,

Date: 26 January 2005
